CONFIDENTIALITY AGREEMENT

By:

_____ (Member Organization)
Hemophilia Federation of America (HFA); and
Express Printing and Forms, Inc.

The aforementioned parties do hereby enter into the following agreement.

DATELINE, a publication of HFA is published quarterly and provided primarily to those persons who are part of the hemophilia community and those persons who have interests with the community.

As a result of the increasing costs of publication and mailing, it is hereby agreed that it would be more cost efficient, expedient and serve the hemophilia community in a greater fashion if the mailing of *DATELINE* were accomplished via a direct mailing by the Printing Company to the constituents of the Member Organization.

Accordingly, and mindful of the confidential nature of the list of those persons who receive *DATELINE* from HFA via a current "drop ship/postage reimbursement" method that has grown quite expensive, the Member Organization, HFA and the Printing Company do hereby agree as follows:

The undersigned Member Organization agrees to furnish to the Printing Company, the mailing list of those persons and entities previously receiving *DATELINE*.

The Printing Company agrees to treat confidentially such mailing list and information (Confidential Material) and any other information provided in this regard, whether furnished before or after the date of this agreement.

It is further agreed that the Confidential Material will be used only for purposes of the actions referred to regarding mailing of *DATELINE* and will not be used for any other purposes without the express written consent of the Member Organization

It is further agreed that the Confidential Material will be kept confidential by all parties including their employees agents and all respective officers, directors, general partners, employees or other representatives
