BLEEDING DISORDER ORGANIZATION RESOURCES

HFA MENTAL HEALTH YOUTUBE CHANNEL

https://www.youtube.com/playlist?list=PLxsqr33d_i5-x8kN49OHHQMKriKxaObb9

HFA's team of licensed Social Workers has assembled a toolbox of great information and resources to share with community members.

HFA Mental Health Check-In: Practicing Self-Care

<https://www.youtube.com/watch?v=BDmKNz-qxHs&feature=youtu.be>

Self-care is a great way for us to pay attention to our needs and engage in activities that feel comforting—but it doesn't have to be just bubble baths and binge watching tv shows! This video breaks down the different types of self-care which include physical, emotional, spiritual, relationships, and professional/workplace types of self-care.

HFA Mental Health Check-In: Accessing Mental Health Services

<https://www.youtube.com/watch?v=xdjTBeC5bkw&feature=youtu.be>

Not sure where to start? This video provides helpful tips and resources for accessing mental health services.

HFA Mental Health Check-In: 5-4-3-2-1 Grounding Technique

<https://www.youtube.com/watch?v=vMc6sdK6BLo&feature=youtu.be>

Anxiety can feel overwhelming and can send us into a spiral of 'future thinking.' This video walks you through the 5-4-3-2-1 grounding technique to bring you back to the present moment and

can help you feel more connected to your body. This simple exercise involves focusing on all five of your senses and can be done anywhere.

HFA Mental Health Check-In: Cultivating A Gratitude Practice

<https://www.youtube.com/watch?v=TK6Wx8ahInY&feature=youtu.be>

During times of stress and anxiety, it can be helpful to remind ourselves of the things in our lives that we're grateful for and that we appreciate. This video walks you through how to incorporate gratitude into your daily routine with space to make it unique to you.

HFA Mental Health Check-In: Five Ways To Support Your Mental Health

https://www.youtube.com/watch?v=Zhu0_Q6Km10&feature=youtu.be

Focusing on our mental health is important for our body, mind, and spirit. However, it may seem daunting to know where to begin. In this video, we introduce five ways you can better support your mental health.

HFA UNDERSTANDING BLEEDING DISORDERS: EMOTIONAL AND PSYCHOLOGICAL CHALLENGES

<https://www.hemophiliafed.org/understanding-bleeding-disorders/challenges/emotional-and-psychological/>

Being diagnosed with a chronic condition or learning that your child has a chronic condition may make a person feel stressed, sad, and sometimes depressed. It's important to know that these feelings are normal, and when to seek help if you feel overwhelmed with emotions.

HFA MENTAL HEALTH HANDOUT

https://www.hemophiliafed.org/uploads/mental_health_handout_Jan21.pdf

Includes information about warning signs that may indicate someone is in crisis, common warning signs of suicide, and what to do or say if someone is in crisis/at risk of suicide.

HEMOPHILIA FOUNDATION OF MICHIGAN – MENTAL HEALTH

<https://hfmich.org/mental-health/#>

This website includes links to resources, videos, helplines, handouts and articles that will be helpful for individuals with hemophilia. Mental health care matters. It's important to invest in our mental wellness as we would in our physical wellness. Having resources and tools to support your mental health can help you maintain your overall health.

HEMAWARE MAGAZINE

PUTTING THE SPOTLIGHT ON MENTAL HEALTH

<https://hemaware.org/mind-body/putting-spotlight-mental-health-and-bleeding-disorders>

If you or someone you love is struggling with mental health issues, you're not alone. Help is available both in the bleeding disorders community and beyond. Discusses benefits of HTC's, stress and the bleeding disorder community, getting help, and access.
